to be speaking to this later when another bill comes up and sometimes it is done for a specific reason. I don't think it was the reason in this one but for heaven's sakes, let's get those amendments in the bills. Now the crunch is starting to come on and we've been very good most of the time up until now and you are all going to be mad at me later on when your bill doesn't get up because of reasons such as we are experiencing here today. So for heaven's sakes, if you are honest about the bill and your amendment, get it in that Journal so others can look at it ahead of time so we don't have to waste time on the floor trying to see what the amendment says. Yes, Senator Newell, I hope we do pass over this and get some kinks worked out rather than spending time on the floor. Thank you.

Senator Wesely.

SENATOR WESELY: I have one point. If you now pass over the bill, is it going to be held in limbo so that we don't have another reprinting in cost, money in reprinting, or can we just hold that off until we get it worked out? I think that is fine with me then.

ASSISTANT CLERK: (Read LB 201 on Final Reading.)

PRESIDENT: All procedure of law having been complied with, the question is, shall the bill pass with the emergency clause attached. All those in favor vote aye, opposed vote no, 33 votes required. Have you all voted? The Clerk will record the vote.

ASSISTANT CLERK: (Read record vote as found on page 710 of the Legislative Journal.) The vote is 46 ayes, 0 nays, 3 present and not voting, Mr. President.

PRESIDENT: A majority of 33 or more having voted in the affirmative, the bill is declared passed with the emergency clause attached. LB 203.

ASSISTANT CLERK: (Read LB 203 on Final Reading.)

PRESIDENT: All provisions of law relative to procedure, the question is, shall LB 203 pass. All those in favor
